

# Post-Graduation Area

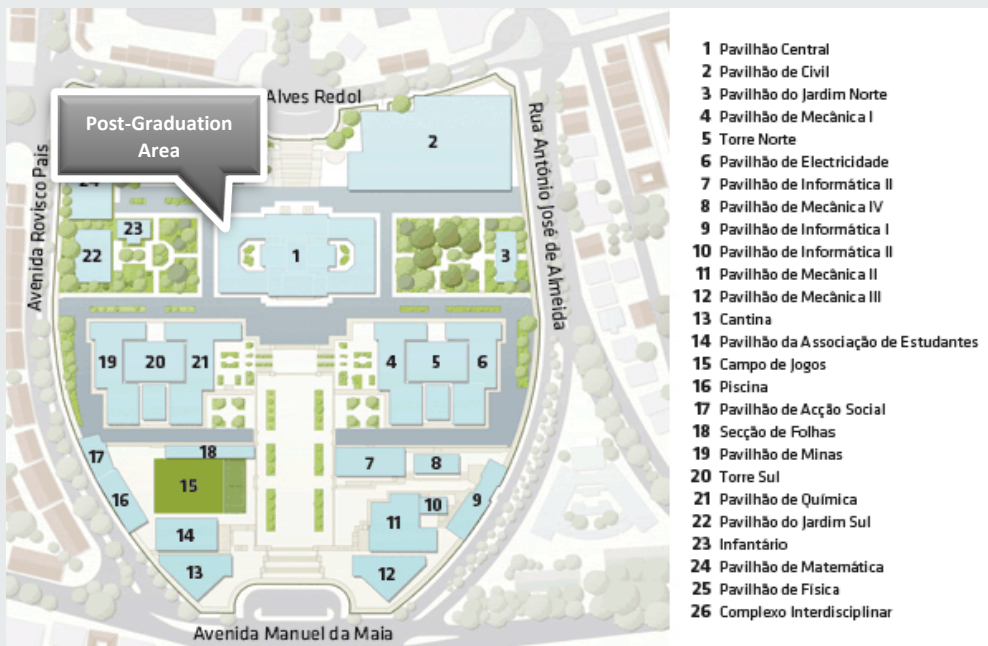

9th edition - Shaping the Future  
**Júlia Oliveira**

*“We are very, very small, but we are profoundly capable of very, very big things.”*

*Stephen Hawking*

## LOCALIZATION

&

## MISSION

The Post-Graduation Area main mission is the academic management of the PhD programs. It takes care also of the recognition of the foreign higher education degrees or diplomas, as well as of the instruction and organization of the public sessions for other academic titles.

**Supervisor,  
Submit grades,  
Jury member**

**Progress in the career**
