DPFC

DP

Lobby and Finding funding Opportunities

- Following European funding agencies' **Strategic Research and Innovation Agendas (SRIA)**
- **Articulating with internal services**, institutional representatives at european initiatives and **IST's cross-sectorial Networks**
- **Finding funding opportunities**
- **Mapping strategic initiatives** for Técnico's R&D Centers ecosystem
- **R&D Centers' participation in European Programs analysis and monitoring**
- **Lobbying**

Support to Research Centers (UI) through Pre-Award Network

- Coordination of **Pre-Award Network**
- General and **Targeted Dissemination**
- **Proposal e WP Intelligence**
- **Strategic Networking**
- **Trainings and Workshops**
- **Exchange of Best Practices**

Support to Researchers through the local manager at each R&D Center

- **Administrative and Financial Support**
- **Targeted Dissemination**
- Funding Calls match
- Proposal Intelligence
- Partner search
- **Application Guidance (Part A, Budget and Part B)**
- Proposal Review

Administrative and financial support

- **Administrative, legal and financial information**
- **Checks application's financial viability**
- Support to the Grant Agreement Preparation

Main Achievements so far.....

- R&D Centers' participation in European Programs **analysis and monitoring**

- Articulated **institutional representation** in European Networks and Initiatives:

- ETP Manufature - Manufacturing
- AMI2030 – Advanced Materials
- ETP Biointelligent manufacturing
- HEU Hub – informal networking
- Crowdhelix - Networking
- EARMA – Research Managers and Administration
- CESAER – Research Performing Universities

- **Training** on Pilar II Horizon Europe applications

- **Guidance** on Horizon Europe Collaborative Projects of Pilar II (KIT)

- **Communication** channels and information shared folders (Teams, LinkedIn, Periodic Meetings)
