Guidelines
Evaluation Criteria

FOLLOW

**Define Clear Goals
Demonstrate Innovation
Emphasis Impact**

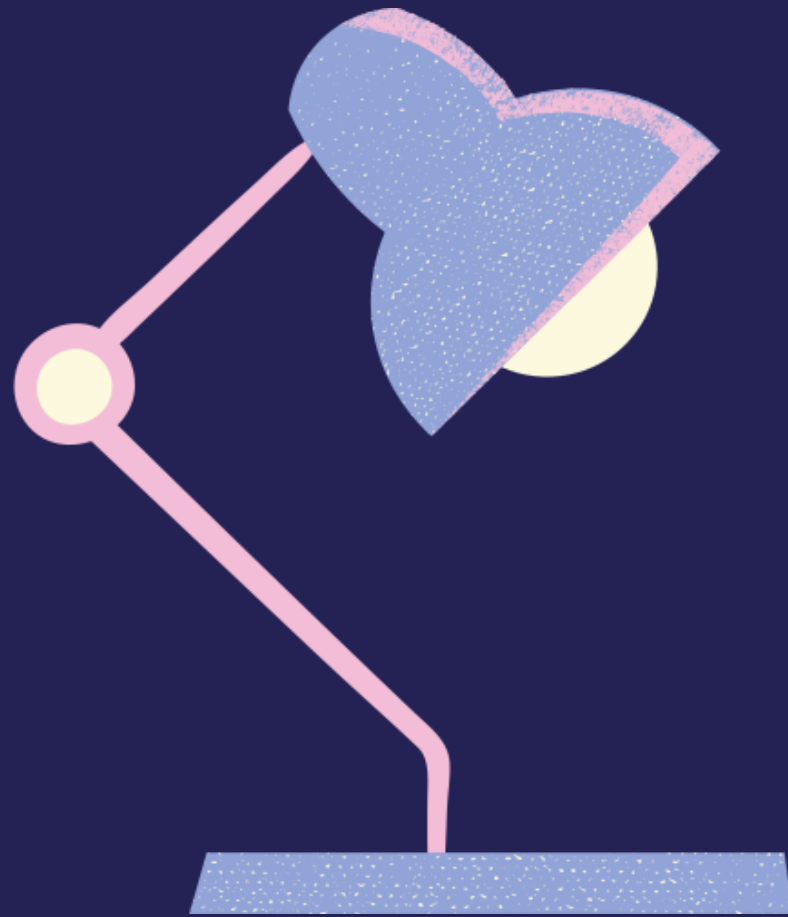

+

Build a Strong and Complementary Team

Start writing

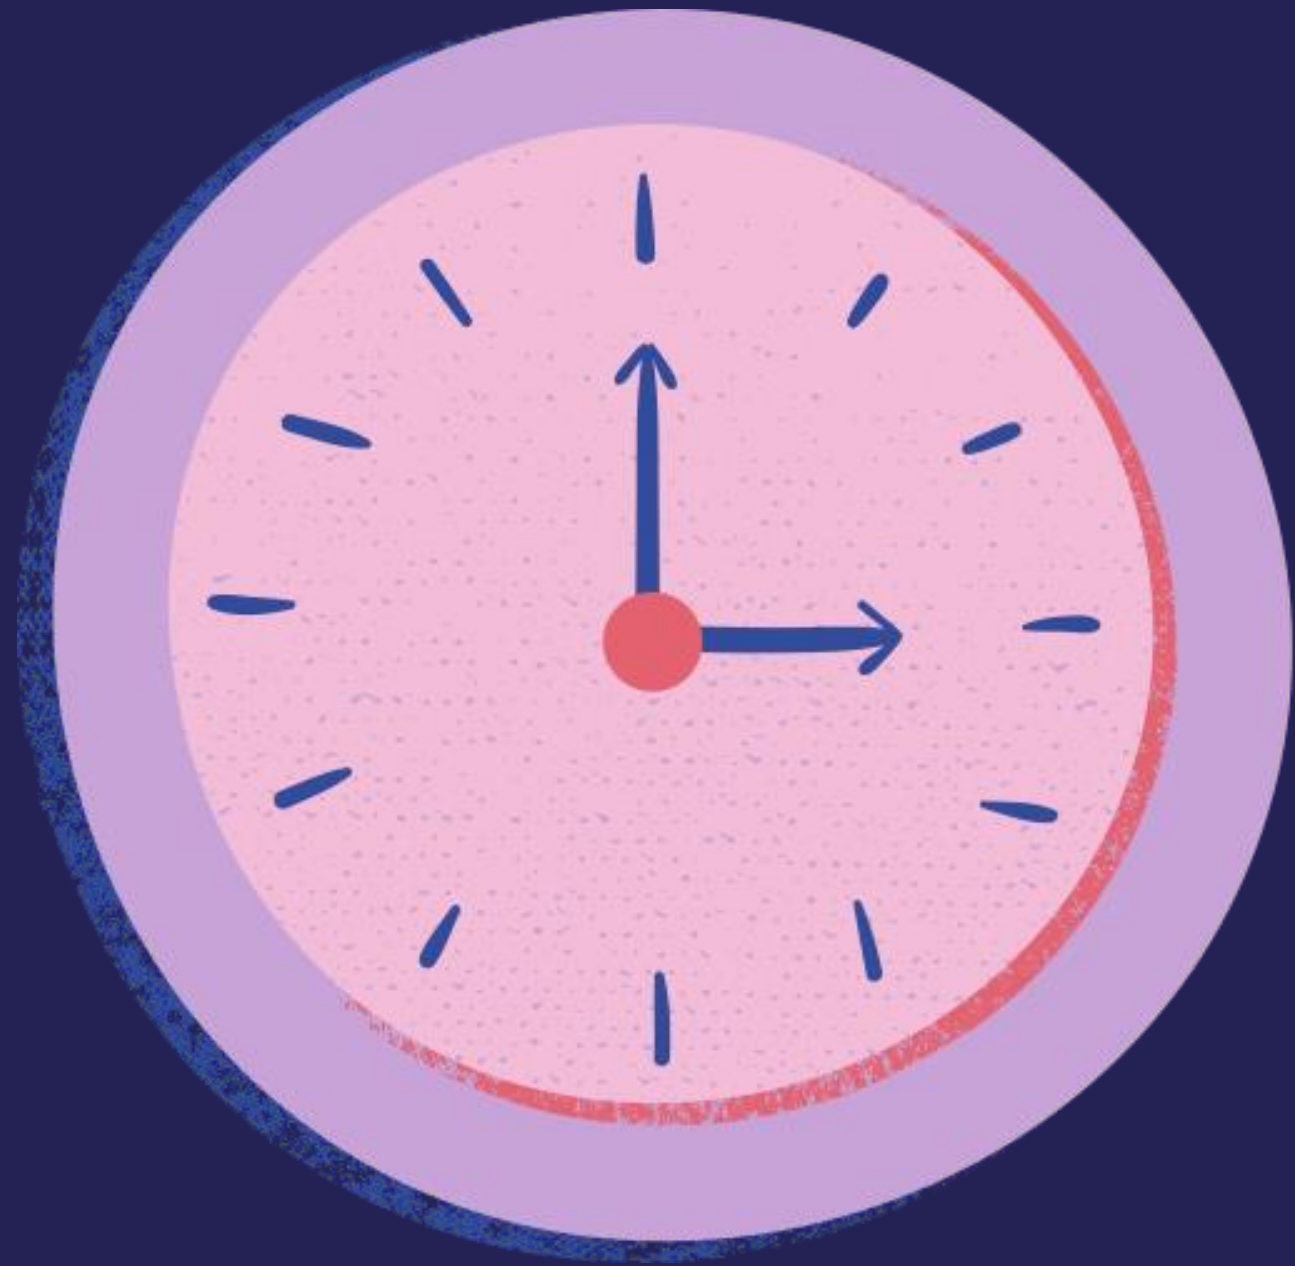

- Make a project diagram – WP, tasks, deliverables, milestones
- Write in a fluid and captivating way
- Foccus on the impact
- Provide a realistic WP, budget and timeline
- Do not forget dissemination and exploitation
- Professional presentation

Finally

Internal Review
External Review

**Start Early
&
Finish Early**

Between proposals

- Participate as a reviewer or evaluator
- Attend info days
- Develop your profile in programme platforms
